My name is ABDULRAHMAN FAIDHAHMED ALI, UNHCR Staff and current political exile in Bahrain. I got your contact through cross border business information centre situated here in Manama.

Until Friday 11th December 2015, I operated as a UNHCR Staff from our Representing Office in RIYADH SAUDI ARABIA. On Saturday 12th December 2015, arrangement was made by my Organization for my temporal exile here in Bahrain to avoid an unjust punishment over a false allegation by my country Government for being a Western Spy. I am not a Spy, My Country branded me a Spy because of my campaign for Women equality with our Men.

Before I left Kingdom of Saudi, I made in excess an amount of USD18.7M. The money as mentioned was legally acquired during my handling of a contract as a chair person for purchase of Temporal homes and Tents for Syrian and Iraqi refugee here in different strategic regions. Regretfully, in line with the moral principal of our services, I am not required to accept gift of any kind nor own more than 10,000:00 USD in my respective bank account, As a result I plea to be represented by you as a trust worthy person to most importantly hold this money in trust and invest the sum for me, until my situation stabilizes.

Please I really need your assistance.

If you are interested please provide me with the following in return, If not, I beg of you to forget this letter and never bother to contact me back:

YOUR NAME IN FULL
YOUR OFFICE OR RESIDENTIAL ADDRESS
TEL AND FAX NUMBER

As soon as I hear from you, further details regarding the transaction will be unveiled to you.

I look forward for your urgent response.

ABDULRAHMAN FAIDHAHMED ALI
