Standard three-minute starts will be used. Coed and Women's Fleets will be sailed SEPARATELY and there will **NOT** be a JV. Races will be run on short courses (15-20 minutes in length). We will sail as many races as possible. The race area will be close to the San Francisco seawall for easy viewing, and the jibe mark will be within cheering distance of the shore.

BOATS & TRAILER STORAGE

Competitors will supply their own FJ's. Charters can be made through Stanford, email vandemoer@stanford.edu. All trailers may be kept free of charge in the StFYC **storage yard** (at the direction of the StFYC Dockmaster) one night prior to the beginning of racing and one night after racing concludes. Any boats left on the premises outside this time frame are subject to fees or removal. If you plan on leaving a trailer in the City parking lot prior to Saturday morning or overnight on Sunday, please contact the Harbormaster's Office at (415)292-2013 for an overnight parking permit. All trailers left overnight will be towed if they do not have a city permit.
