TESTING SPANNERS

from top to bottom:

DynamicTextSpanner

TextSpanner

TrillSpanner

TupletBracket

Glissando

Hairpin

OttavaBracket

PianoPedalBracket

Spanners

- with line-spanner-interface are colored red

- with line-interface but without line-spanner-interface are colored blue

System 1: Treble clef, common time. Features a red *cresc.* hairpin, a red *tp* hairpin, a red trill (*tr*) over a note, a blue line-spanner with '1' over a note, and a blue *15mb* piano pedal bracket. The system ends with a key signature change to three sharps.

System 2: Treble clef, common time. Features a red *tp* hairpin, a red trill (*tr*) over a note, a blue line-spanner with '1' over a note, and a blue *15mb* piano pedal bracket. The system ends with a key signature change to three sharps.

System 3: Treble clef, common time. Features a red *tp* hairpin, a red trill (*tr*) over a note, a blue line-spanner with '1' over a note, and a blue *15mb* piano pedal bracket.
