

Hi Lincoln neighbors!

My name is Zoe Carey, I am a young dance artist and incoming student at Bennington College in Vermont for their BFA dance program this fall. I am so excited for the opportunities that the program will have to offer me, and I am looking forward to sharing my experiences with you all through various platforms.

However, until I find a job near campus, most of my income will be reliant on Patreon - a place where artists can share their work in exchange for a monthly membership. If you or someone you know is willing to donate as little as \$2 a month, it would be greatly appreciated. I post content 2 times a month, and soon these posts will be geared towards my experiences at school.

Check out my latest [post](#) on Patreon outlining the content.

Make sure you have my [substack](#), [instagram](#) or [youtube](#) so you can stay in touch through images, text, and video.

Finally, if you or someone in town needs help with household odd jobs, babysitting, etc, feel free to reach out. I will be available until August 18.

Have a great summer,
Zoe Carey
