Developers per month (average per quarter)	bar in Bar chart over time	N/A	Community - Overall panel - bar chart
Core developers per quarter and over time	bar in Bar chart over time	N/A	Community - Overall panel - bar chart
Regular developers per quarter and over time	bar in Bar chart over time	N/A	Community - Overall panel - bar chart
Casual developers per quarter and over time	bar in Bar chart over time	N/A	Community - Overall panel - bar chart
REI - Review Efficiency Index last quarter	Number	Number	Gerrit-Efficiency panel - time series chart *
BMI - Backlog Management Index last quarter	Number	N/A	N/A
Time to Merge last quarter	Number	Number	Gerrit-Efficiency panel - Gauge *
Emails sent per quarter and over time	bar in Bar chart over time	N/A	Mailing Lists - Overview panel - bar chart ** —
People sending emails per quarter and over time	bar in Bar chart over time	N/A	Mailing Lists - Overview panel - bar chart ** —
People initiating threads per quarter and over time	bar in Bar chart over time	N/A	N/A
List of email threads ordered by number of messages last quarter	List in table	N/A	N/A
Number of questions in askbot per quarter and over time	bar in Bar chart over time	N/A	Askbot - Overview panel - number & bar chart **
Number of answers in askbot per quarter and over time	bar in Bar chart over time	N/A	Askbot - Overview panel - number & bar chart **

Metric	Old, custom report	Current, standard report	Dashboard
Number of comments in askbot per quarter and over time	bar in Bar chart over time	N/A	Askbot - Overview panel - number & bar chart **
Number of people asking questions per quarter and over time	bar in Bar chart over time	N/A	Askbot - Overview panel - number & bar chart **
List of the top visited questions in askbot	List in table	N/A	N/A
** List of the top questions with more participants** in askbot	List in table	N/A	N/A
Number of messages in IRC per quarter and over time	bar in Bar chart over time	N/A	IRC - Overview panel - bar chart or number **
Number of people participating in IRC channels per quarter and over time	bar in Bar chart over time	N/A	IRC - Overview panel - bar chart or number **
Number of commits per quarter and over time	bar in Bar chart over time	bar in bar chart over time	Git - Overview panel - bar chart or number **
Number of code reviews (changeset submissions) per quarter and over time	bar in Bar chart over time	bar in Bar chart over time	Gerrit - Overview panel - bar chart or number **
Open tickets per quarter and over time	bar in Bar chart over time	N/A	Jira - Overview panel - bar chart or number **
Closed tickets per quarter and over time	bar in Bar chart over time	N/A	Jira - Overview panel - bar chart **
Merged changesets per quarter and over time	bar in Bar chart over time	N/A	Gerrit - Overview panel - bar chart **
Abandoned changesets per quarter and over time	bar in Bar chart over time	N/A	Gerrit - Overview panel - bar chart **
Active core reviewers per quarter and over time	bar in Bar chart over time	N/A	N/A
Active authors in commits per quarter and over time	bar in Bar chart over time	bar in bar chart over time	Git - Overview panel - bar chart or number **
List of authors by commits last quarter	List in table	List in table	Git - Overview panel - table *
List of organizations by commits last quarter	List in table	list in table	Git - Overview panel - table or pie chart *
BMI - Backlog Management Index per quarter and over time	bar in Bar chart over time	N/A	N/A
Changesets efficiency per quarter and over time	bar in Bar chart over time	bar in bar chart over time	Gerrit-Efficiency panel - gauge *
Time to merge in average per quarter and over time	bar in Bar chart over time	bar in bar chart over time	Gerrit-Efficiency panel - time series chart **

Metric	Old, custom report	Current, standard report	Dashboard
Time to merge in median per quarter and over time	bar in Bar chart over time	bar in bar chart over time	Gerrit-Efficiency panel - gauge *
**Patchsets per changeset ** per quarter and over time	bar in Bar chart over time	N/A	N/A
Time waiting for a reviewer action in average per quarter and over time	bar in Bar chart over time	N/A	N/A
Time waiting for a reviewer action in median per quarter and over time	bar in Bar chart over time	N/A	N/A
Time waiting for a submitter action in average per quarter and over time	bar in Bar chart over time	N/A	N/A
Time waiting for a submitter action in median per quarter and over time	bar in Bar chart over time	N/A	N/A

(*): Need to use Time Picker on the top right corner to select the exact calendar dates you are interested in.

(**): In addition to * which applies to numbers, Kibana doesn't allow to use exact quarters in evolution charts. It can be approximate by using $4M$, but it will not be exact quarters. An exception are [Community panels](#) because the data behind them is pre-computed, so in that case quarters are accurate.
